

You may receive additional bills from physicians who helped with your care while you were a patient at Cameron Memorial Community Hospital. Some of those healthcare providers may be contracted with Cameron Memorial Community Hospital, while others are independent healthcare providers in private practice. For example, you may receive separate bills from physicians including but not limited to the following:

- Pathologists
- Hospitalists
- Consulting Physicians
- Surgeons
- Emergency Room Physicians
- Anesthesiologists
- Radiation Oncologists
- Consulting Surgeons
- Attending Physicians
- Radiologists

A patient may ask for an estimate of the amount the patient will be charged for a nonemergency medical service provided in this facility. The law requires that an estimate be provided within 5 business days.
