## **Challenges**

Bureaucracy

Downtown parking

Vaping

Marijuana – legal in some capacity in three surrounding states

Mental health

Diversity, equity, and inclusion

Safety of infrastructure

A lot of leadership lives outside the county

Support services for accessing senior benefits

Youth, young adult, and teen activities

Senior activities

Activities for any age

Affordable housing

Housing at all

Family housing; no rentals for families over four people

Too many entry-level positions, not enough to staff them

Commuting out of the county for work

Outmigration/brain drain

Access to care for low income individuals

Need minute clinic/quickcare

Collaboration between governments and organizations

Sidewalks

Access for bicycles on roads

Need pediatric dentistry

Child care

Need inpatient for SUD/mental health

Public transportation

Health food/restaurants

Diabetic education  
Health/lifestyle education  
Food insecurity  
Internet/broadband access  
Preventative healthcare and education  
Non-English speaking services  
Substance use  
Self harm  
Covid-related mental health  
Low income assisted living  
Crisis intervention  
Need law enforcement diversion programs  
Quality summer programming  
Community investment from tourists is needed  
Dialysis center  
Teen programs/activities  
Truancy  
Vaping  
Parenting classes  
Housing  
Childcare/Daycare/Preschool  
Public, non-emergency transportation  
Sidewalks/trails  
Need more arts  
Mental health  
Pediatric/Youth/Young adult psych services  
Communication of existing services  
Need workers for open jobs  
Community trauma response

Alzheimer's and dementia services

Wraparound Services

Leadership training

Elder care at all levels – Housing, transportation, health care, etc.

### **Community Culture**

Pride of Place

Agriculture

Siloed/Divided – towns, groups of people

Recreation/tourism

Education

Faith community

Small town feel

Economic/employment opportunities

Diversity – Trine University & tourists

Racism

Growth-oriented

Outdoors/lakes

Generosity

Collaboration within organizations

Conservative

Insular/unwelcoming

Angola vs. other small towns

### **Prioritized List of Challenges/Issues**

Vaping

Parenting

Childcare/Daycare/Preschool

Public, non-emergency transportation

Sidewalks/trails

Mental health

SUD/Marijuana – legal in some capacity in three surrounding states

Activities for any age

Housing – affordability, availability, rentals for families

Too many job openings

Diabetes & dialysis

Health/lifestyle education

Internet/broadband access

Preventative healthcare and education
